Trisotech reveals its new corporate image

MONTREAL, February 10, 2005 – Trisotech is proud to reveal its new corporate image with a new logo and website.

“These changes were made to better communicate our solutions and services offerings.” commented Mr. Martin Laflamme, Trisotech’s Chief Operating Officer.

Since its inception, Trisotech main focus has been to offer the best Software Consulting Services in the market. Trisotech's success and industry excellence during that period was recognized in the marketplace with many awards, such as, Profit 100, Deloitte & Touche Fast50 in Canada and Deloitte & Touche Fast500 in North America, and others.

Trisotech has now evolved to become a leading Software Consulting Services Company and a Business Process Management and Automation Solutions Provider. Strategic partnerships with world leaders such as SAP and ILOG are strengthening Trisotech capability to provide agile Business Process Management and Automation Solutions in this increasingly competitive market.
