**Trisotech named one of the Fastest Growing Technology Companies in
Deloitte & Touche Technology Fast 500 for 2002**

MONTREAL, November 15th, 2002 – Trisotech Inc., a company developing Human Capital Management Solutions, has ranked 358th on the Samson Bélair/Deloitte & Touche's prestigious Technology Fast 500. A ranking of 500 North-American companies in technology whose growth was fastest over a five-year period.

Trisotech has experienced a spectacular growth of 946% over a five-year period. This success is based on the company's strategy to provide Human Capital Management Solutions resulting in better process control together with costs, quality and effectiveness optimization.

Denis Gagné, CEO of Trisotech, is very proud of this ranking; "After our 30th position ranking on the prestigious Canadian Technology Fast 50, this North-American recognition is very stimulating to our staff. We remain determined to achieve this fast growth in the coming years and will make sure that our solutions remain relevant to our clients' evolving reality."

About Trisotech

Founded in 1996 and headquartered in Montreal, Trisotech is an independently owned software company that provides Human Capital Management solutions. Trisotech's Human Capital Management portfolio of solutions enables clients to strategically manage staffing initiatives ensuring a better process control in view of optimizing costs, quality and efficiency. From a Web centric architecture anchored on Artificial Intelligence innovation, the Trisotech software automates and manages the innate complexities of Human Capital Procurement (sourcing, tracking and acquiring) and Development. Trisotech's software solution has evolved from clients' experience such as Fédération des Caisses Desjardins du Québec, Banque Laurentienne, GE Canada, Bombardier Transport, Gaz Métropolitain, Meloche Monnex, Hoffman LaRoche, etc. For more information visit <http://www.trisotech.com> or call 514-990-6639.
