### **Trisotech signs an agreement with ILOG**

**MONTREAL, September 4<sup>th</sup>, 2004** – Trisotech, a leading provider of Business Process Management and Automation Solutions and Software Consulting Services, is pleased to announce it has signed an agreement with ILOG to obtain the rights to embed ILOG’s software components into its solutions.

“JRules and JView from ILOG are excellent and mature technologies which will enhance and strengthen our solutions offering. This strategic agreement will ensure that Trisotech will provide its clients with the best reliable technologies available.” said Denis Gagné.

#### **About ILOG**

ILOG delivers software and services that empower customers to make better decisions faster and manage change and complexity. Over 2,000 global corporations and more than 400 leading software vendors rely on ILOG's market-leading business rule management system (BRMS), optimization and visualization software components, to achieve dramatic returns on investment, create market-defining products and services, and sharpen their competitive edge. The BRMS market share leader, ILOG was founded in 1987 and employs more than 600 people worldwide.
