**Trisotech presents at « La Boule de cristal du CRIM » Event**

**MONTREAL, January 7<sup>th</sup>, 2005** – Trisotech is pleased to announce that Mr. Denis Gagné will be among the prestigious speakers at “La Boule de cristal du CRIM” event scheduled for February 1<sup>st</sup> and 2nd, 2005. Mr. Gagné’s presentation will review the evolution of Business Process Modeling and Automation solutions and will highlight the current state of this rapidly evolving industry.

“La Boule de cristal du CRIM” is a two-day IT conference which will gather over 600 Québec IT leaders and decision makers to review the progress report on four principal sets of themes: IT evolution, IT market trends, best IT practices and ethics. ([www.crim.ca](http://www.crim.ca))

Among the dozen prestigious speakers which will animate the debates, IT leaders and decision makers will have the opportunity to hear:

- Sir Terence H. Matthews, cofounder and chairman of the board of Mitel
- Savvas Chamberlain, cofounder and President of Dalsa Corporation
- Rene Vézina, editor of the newspaper “Les Affaires”
- Pierre Donaldson, Chairman of the board of a world leader biometrics company, the Toronto-native firm Bioscrypt,

**About CRIM**

As a knowledge and technology transfer centre and major contributor to the information technologies (IT) industry, CRIM provides leading edge services in research and development, training, security, best practices and software testing and certification. In its role as a technological accelerator, CRIM aims to increase the value of businesses through the transfer of expertise, knowledge, know-how and technologies. CRIM is a liaison and transfer center whose primary financial partner is Ministère du Développement Économique et Régional et de la Recherche of Québec.
