TRISOTECH CELEBRATES ITS TENTH ANNIVERSARY

MONTREAL, February 15 2006 - Trisotech is proud to announce that 2006 corresponds to its tenth anniversary. Founded in 1996, Trisotech focuses on only delivering the very best consulting and BPM solutions to its clients.

Trisotech would like to thank its clients, employees and partners for their continuous support and commitment during this initial high growth period.

Since its inception, Trisotech has build strong and durable business relationships with its clients, employees and partners, based on its core values, which are:

- Innovation
- Experience & Expertise
- Agility

Mr Martin Legault, vice-president of sales, summarized Trisotech pride in reaching this milestone in these words, "I want to personally thank each and every client that offered us the opportunity to work with them during this past ten year period. The business relations built with them and our employees are based on mutual trust and commitment. These relationships have allowed us to establish a solid organization, positioned to offer best of breed services and solutions for the years to come. ».

During these 10 years, Trisotech efforts have been recognized by many awards. Among others, Trisotech was nominated as a finalist for the Octas-2004 in Technology Innovation for companies with less than 200 employees. Trisotech was also recognized on the Branham 300, the Canadian Fast50 and the North American Fast500 from Deloitte.

Trisotech has established itself as an agile, innovating and performing IT firm representing a solid foundation for years to come. Trisotech executives and personnel are committed to business relationships based on trust for delivering services and solutions fully aligned with customers needs.
