**TRISOTECH CERTIFIED AS PROFESSIONAL SERVICES PROVIDER  
AT HYDRO-QUEBEC**

**MONTREAL, April 16, 2007** – Trisotech is proud to announce that it has been selected as a provider of IT professional services to Hydro-Québec, to answer requests from the “Direction de l’architecture des technologies de l’information et des logiciels de gestion (DATIPG)”.

The service categories awarded to Trisotech are perfectly aligned with the company’s focus on the hiring and placement of business and IT analysts and architects.

Mr. Martin Legault, Trisotech’s Associate in charge of the sale of professional services, summarized the importance of this contract for Trisotech: “For more than ten years, we have established a strong reputation for the placement of IT specialists, primarily in the application development domain. Our goal is to broaden this notoriety to include IT analysts and architects, as well as business solution specialists such as SAP.”

Trisotech is already a “Power by SAP NetWeaver” partner having certified its Business Process Management Suite on the SAP NetWeaver platform.

**About Trisotech**

Trisotech provides Consulting Services and Business Process Management and Automation (BPM) Solutions. Trisotech is focused on delivering Agile Services and Solutions aligned with Business Priorities on a simpler Technological Environment. Founded in 1996, Trisotech is a privately held Information Technology company based in Montreal. Trisotech Consulting Services and BPM Solutions are the fruits of the experience gained working with prestigious customers, such as Fédération des Caisses Desjardins du Québec, General Electric Canada, Bombardier Transport, GazMétro, TD Meloche Monnex, Hoffman LaRoche, Imperial Tobacco, etc.
