TRISOTECH HAS BEEN QUALIFIED AS A FIRM SPECIALIZED IN INFORMATION TECHNOLOGY BY LOTO-QUEBEC AND ITS AFFILIATES

MONTREAL, April 26, 2007 – Trisotech has been qualified by Loto-Québec in the field of system development, including related functional analysis and project management. This qualification enables Trisotech to receive requests issued by Loto-Québec and its affiliates to obtain specialist services.

Development specialists, functional analysts and architects, test analysts, business analysts and project managers shall be proposed by Trisotech to satisfy the requirements of Loto-Québec and its affiliates.

These types of services are core to Trisotech's pool of skilled specialists. In addition, the combination of IT and business specialist requirements is directly aligned with Trisotech positioning objectives. The blending of technical and business skills shall enable Loto-Québec and its affiliates to offer agile solutions required in this ever-changing client centric market.

About Trisotech

Trisotech provides Consulting Services and Business Process Management and Automation (BPM) Solutions. Trisotech is focused on delivering Agile Services and Solutions aligned with Business Priorities on a simpler Technological Environment. Founded in 1996, Trisotech is a privately held Information Technology company based in Montreal. Trisotech Consulting Services and BPM Solutions are the fruits of the experience gained working with prestigious customers, such as Fédération des Caisses Desjardins du Québec, General Electric Canada, Bombardier Transport, GazMétro, TD Meloche Monnex, Hoffman LaRoche, Imperial Tobacco, etc.
