**TRISOTECH RANKED IN BRANHAM300
FOR A SIXTH CONSECUTIVE YEAR**

MONTREAL, March 28, 2008 – For a sixth consecutive year, Trisotech has made its mark among the top 250 Canadian IT companies in the prestigious Branham300 listing.

Released on a yearly basis by the Branham Group, the listing is a significant reflection of the company's status in the IT market, a fast-paced and crucial sector for the Canadian economy.

The continuous Trisotech presence in this listing reflects Trisotech management and employees commitment to always be present for its clients and to provide lasting services and solutions.

Even more visible this year, Trisotech combines a broad range of technological consulting services with an innovative combination of know-how and technology in the field of business process management. This unique offering enables the deployment of technological solutions that optimize both its clients operations and processes, producing significant value while maintaining business agility.

That is why we say:

**“At Trisotech, We are bilingual.
We are proficient in both the languages of business and information technology.”**
